

## “Takeoff with Aviation Education”

Dates: February 28-29 & March 1, 2008

Where: Heritage Inn, Great Falls, MT

The workshop is sponsored by MDT Aeronautics Division.

★16 Teacher renewal units and 1 graduate credit are available.★

\$100 scholarships are available to assist with travel and/or graduate credits.

To apply, please submit a one-page letter of application stating how attending this workshop will benefit you!

The objective of “Takeoff with Aviation Education” is to expand the scope of aviation and aerospace education through the introduction of classroom applications for teachers. This workshop will help teachers to incorporate theory of flight and other aviation concepts in the teaching of math, physics, history, language arts, literature, and geography. A special “Science of Flight” curriculum recently developed by a national aviation organization will be introduced at this workshop as well. All concepts taught align with the Montana state teaching standards.
